fluconazole 150 mg tablet how long does it take to work

Does anyone think this legislation, as it applies to college tuition, will do anything less than enslave every student who accepts the government’s help to get his/her “rightful education”? Does anyone think doctors, teachers, engineers or any other graduates will be allowed to select their workplace or employer or have any choices as to remuneration? I haven’t been that naive for about 70 years now…
