3	glycomet 500 sr during pregnancy	How should we respond to conflicts in the Middle East and North Africa, conflicts between countries but also conflicts within them? How do we address the choice of standing callously by while children are subjected to nerve gas or embroiling ourselves in someone else's civil war? What's the role of force in resolving disputes that threaten the stability of the region and undermine all basic standards of civilised conduct? And what's the role of the United Nations and international law in meeting cries for justice?
