Except as set forth in Schedule 4.10, there are no unfair labor practice or age or sex discrimination charges or complaints or other charges or complaints alleging illegal discriminatory practices pending or threatened against either of the Sellers before any Federal, state or local board, department, commission or agency nor to the knowledge of the Sellers does any basis therefor exist.
The relationship between tanning and acne has been widely studied, but is commonly misunderstood. While we all know that tanning is unsafe and unhealthy, many people believe that tanning is a magical cure for acne. Tanning may have short term effects on your skin that look like they are helping your acne.
Eakman, managing director of private markets at the University of Texas Management Company (UTIMCO), told a private equity conference in Cape Town earlier this year that Africa's reality is different to what is often reflected by media coverage.

If the mandates of an organization with which a marriage and family therapist is affiliated, through employment, contract or otherwise, conflict with the AAMFT Code of Ethics, marriage and family therapists make known to the organization their commitment to the AAMFT Code of Ethics and take reasonable steps to resolve the conflict in a way that allows the fullest adherence to the Code of Ethics.

Because this allocation affects only measures of resource use ongoing at the time of initiation (bed-days and hospital costs), whereas a hospitalisation event is clearly before or after initiation, this source of bias does not apply to the endpoint of hospitalisation rates.

Wonderful story, reckoned we could combine a few unrelated data, nevertheless definitely worth taking a search, whoa did one particular discover about Mid East has got additional problems as well [...]
care are spread (more or less) evenly across all income brackets, it would be more effective for the health care system to target the higher earners to source its much needed income.

As an additional note, I find the proposition that Gaddafi was about to engage in a massacre of thousands of billions of people to be slightly implausible, even if it had not been revealed that the reliable media stooges have been distorting what Gaddafi had actually said about the opposition (he was referring to the armed rebels).
